

January 6, 2014

Hello Families!

My name is Miss Tina Wong, and I am a fifth-year student at the University of Lethbridge, currently completing my B.A. English and B. Education. For the next four months, I will be finishing my final practicum Mrs. Wehlage's Grade Four classroom at Stirling School.

As part of my training, I will be working with your child and teaching primarily Social Studies, Daily 5, Science, and Art. The intent of this practicum is to familiarize me with the roles and responsibilities of a first year teacher, and to increase my experience with daily instruction, unit planning, assessment, and classroom management.

I have had a variety of experience working with children of various ages. My previous practicums include working in Kindergarten to Grade Five classrooms as well as junior and senior high English. For three summers, I organized my local library's reading program to promote literacy and love learning through literature. Last summer, I worked at a Hutterite Colony School and taught Kindergarten as well as multi-graded Health.

When I am not busy with work or school, I enjoy reading, writing, finding new music, and being with my friends.

I am very excited to be teaching in grade four, and I look forward to getting to know and working with your child.

If you have any questions, comments, or concerns, please feel free to contact me at t.wong@uleth.ca.

Sincerely,
Miss Wong
